<td>The Student Mentoring and Youth Development program is a school based initiative to support students across Years 5 to 9 who are at risk of disengaging from school and/or not making a successful transition from primary to secondary school. The purpose of the strategy is to increase student engagement, wellbeing and learning achievement through one to one student mentoring and targeted youth development programs.</td>
<td>Through the Student Mentoring program our school will be resourced to provide one to one student support for learning and wellbeing. In addition, our school may access youth development funding to facilitate professional learning, programs and initiatives aimed at building the capacity of our school to meet the needs of all our students. In 2011-12, $480,508 was allocated to Eyre and Western schools to provide support for Student Mentoring and Youth Development.</td>

<tr>
<td>Participation in the Recruitment and Selection Project provides opportunities for our school to be involved in a range of initiatives, that are aimed at attracting and retaining quality teachers and leaders to our school and other schools in the region.</td>
<td>A pool of regional funding in the amount of $10,400 has been provided to the Eyre and Western region, this funding has enabled our school to participate in the Supporting, Developing and Retaining Quality Teachers program.</td>
